Circular Letter 09-1551

RE: Removal of Section Two, "Reporting of Aggregate Financial Call Data" from the Minnesota Statistical Plan Manual

The Minnesota Department of Commerce has approved the above captioned filing effective July 1, 2009.

The purpose of this filing is to remove Section Two, "Reporting of Aggregate Financial Call Data" from the *Minnesota Statistical Plan Manual* and place the complete financial call instructions and forms under the Automated Carrier Call Entry and Data Edit (ACCEDE[®]) link of the MWCIA website.

Currently, *all* MWCIA member carriers are reporting their financial call data to MWCIA electronically through the use of ACCEDE[®]. Removing Section Two from the *Minnesota Statistical Plan Manual* and incorporating it in the appropriate area on the MWCIA website will make it easier for carriers to access Minnesota's Call instructions. It will also allow MWCIA staff to provide our membership with the latest updated information in a more timely manner.

Please direct any questions you may have regarding this filing item to MWCIA's Actuarial Services Department at 952.897.1737 (Option 3) or via email at actuarial@mwcia.org.
